Sir/Madam,

As you are aware, National Scholarship Portal (NSP) is one stop portal for students to apply for scholarship under various schemes of Central and State Government Departments. The students apply on the portal and Nodal Officers nominated by institutions verify the applications of its students on the portal.

The NSP (NIC) has started the process of KYC and Aadhaar Demographic Authentication of Institute Nodal Officers (INOs) of institutions. It has been informed by NSP that your institution has not completed the KYC/Aadhaar Demographic Authentication of Institute Nodal Officers (INOs) on NSP. In case, the same is not done by you, you may not be able to verify the applications of students of your institutions and they will be deprived of scholarship.

In view of this, it is requested to complete your KYC/Aadhaar Demographic Authentication at the earliest. You may do the same by logging-in on NSP and clicking on 'Update Profile' at 'Administration' tab.

Regards
